To Save a Life

Book

To Save a Life is directed by **Brain Baugh** and stars **Randy Wayne, Deja Kreutzberg, Kim Hidalgo, Robert Bailey Jr., and Sean Michael Afable**. *To Save a Life's* plot synopsis: "Enter Roger Dawson (Robert Bailey Jr.). He was Jake (Randy Wayne)'s childhood best friend before Jake's growing popularity pushed him out. Tired of not fitting in and having a place to belong, Roger walks onto campus and, with a gun in his pocket and pain in his heart, makes a tragic move. Jake is devastated by what Roger has done, and something in him changes. In seeking answers in his own life, one question plagues him the most: Could I have saved him?" *To Save a Life* is definitely not your normal teen romp.
